Dardis Construction Generations of Experience

With over 25 years of experience in the Construction Industry, Shane and Keith Dardis established Dardis Construction in 2016.

Dardis Construction take great pride in providing a high-quality experience to all of our clients, we have built up an outstanding reputation which has led to much of our new business arising from referrals and excellent recommendations from our previous clients.

Over the years, Dardis Construction has undertaken many challenging residential and commercial projects and accumulated skills, know-how and experiences in design and build solutions, project management, building trades and related works.

- Meath Extension 10/11

Louth - New Build

A modern family home built in the beautiful countryside of Togher. This fantastic new build was completed to a stunning high standard with a turn-key finish!

The home should be the treasure chest of living.

Le Corbusier.

Mission

To design, build and deliver high quality and cost-effective construction projects on schedule.

To provide the best construction experience through:

- Relationships built on integrity,
- Success built on performance.

Quality

We aim to bring the highest possible standards to each and every project.

Value

To give our clients the best combination of cost, quality and sustainability.

Sustainability

To work with sustainable materials and thus insuring the potential for long-term maintenance.

On Schedule

Construction timeline to help ensure projects stay on schedule and on budget.

Dublin - Home Renovation & Extension

A house is not a home unless it contains food and fire for the mind as well as the body.

Benjamin Franklin

This 1930's home in Terenure was completely transformed and integrated the original structure and surrounding location seamlessly to create a beautiful modernised, contemporary and energy efficient home.

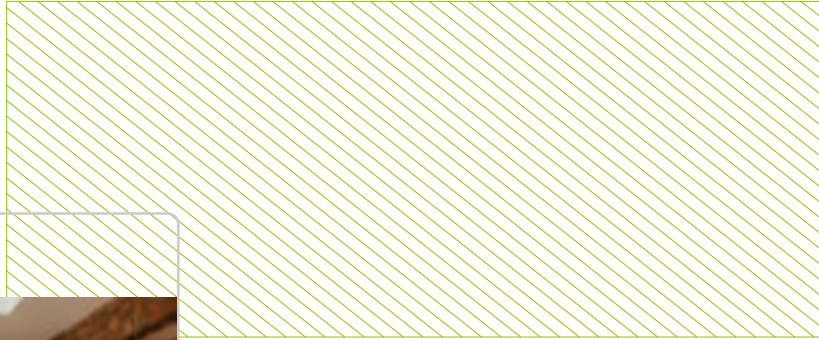

“

The house has to please everyone, contrary to the work of art which does not. The work is a private matter for the artist. The house is not.

Adolf Loos

Louth - Renovation

This mid terrace renovation in Dundalk with a line of sight from front to rear garden was transformed to a fabulous character-filled home with a perfect blend of the old with the new!

Vision

To be a leading construction company in the market. To become the clients preferred choice by attaining excellence in quality and timely completed value-added projects. To provide highest level of service while offering superior craftsmanship to every project.

P-10

Meath Extension

This stunning extension provided our clients with a spacious bright open plan living area, creating a beautiful and multi-functional space for all the family which can also be closed off to create a separate cosy living room.

“

A man travels the world over in search of what he needs and returns home to find it.

George A Moore
